Fáilte romhat,

It gives me great pleasure to welcome you to County Kilkenny VEC's website.

County Kilkenny VEC has a proud tradition of providing education and learning opportunities and supports for young people and adults throughout County Kilkenny. We strive to facilitate the highest quality of teaching and learning in all of our schools, centres and programmes.

It is my hope that this website will provide a user friendly, informative and comprehensive overview of the services, programmes and supports provided by County Kilkenny VEC. It is also my hope that the details of associated websites and agencies will also be helpful to visitors to the site.

County Kilkenny VEC is constantly seeking to improve its responses to its staff, its learners and to the other users of its services. It is our plan to develop the VEC's website over time and I would welcome your comments and suggestions as to how we might best do this. Comments can be submitted through the feedback form or alternatively, you may wish to e-mail me directly at: ecurtis@kilkennyvec.ie

We hope you benefit from and enjoy your visit to County Kilkenny VEC's website.

Beir bua is beannacht.
