The Student Finance website provides a convenient and user-friendly source of information on financial support for further and higher education.

The website provides details of the various financial assistance schemes available in Ireland to help students progress through further and higher education.

In addition to providing information on the Maintenance Grant, the website provides information on course fees and details on eligibility requirements for free fees. You will find out all you need to know about other sources of assistance for students, such as the Fund for Students with Disabilities, the Back to Education Allowance and the Student Assistance Fund. It also provides details and links to a range of other organisations and websites that may be of interest and/or assistance.
